

A Gift from Rhonda Byrne

The Bank of the Universe has unlimited abundance, available to you right now. Only a few throughout the history of mankind knew of the unlimited abundance that was theirs for the asking. You must believe that you can receive it, so take small steps with the amounts if that feels more believable to you. Place the check in a prominent position where you will see it every day. Every time you look at the check, believe and feel that you have the money now!
